

FREE SUMMER CODING CAMP FOR RISING 6TH, 7TH, AND 8TH GRADE STUDENTS

Campers in the program will learn to code with Swift, Apple's easy-to-understand programming language used by professional developers to create world class apps. Students will complete creative projects with an established curriculum to learn Swift from coding experts.

Montgomery Can Code is an annual free and fun summer camp held in July and August for any MCPS rising 6th, 7th, and 8th grade students.
